Name	Title	Phone						
Brief description of Project <b>This project consists of the installation of water/cost saving evapo-transpiration (ET) controllers, irrigation material, and associated appurtances at Orangewood Park. This project will (1) reduce water consumption by approximately 30% and save 4.75 acre feet of water annually; (2) improve turf condition to provide safer/better neighborhood parks; (3) provide data demonstrating on-going water saving for in-house purposes as well as public information.</b>								
I certify that the information contained in this Project Application form and Application requirements is accurate.
